Committee Assistant for the House Committee on Rules Samantha Koopman OR

Dear Committee Assistant for the House Committee on Rules Koopman,

I strongly support HB 2578. I believe that with small-dollar matching our elections will better reflect the will of the people. If candidates could avoid having to solicit from special interest donors, they would have more time to communicate with as well as be funded by their constituents. Special interest groups would have less power over the candidates. As a result, the people would be better represented.

Please support HB 2578.

Sincerely,

Mrs. Anne Millhollen
