Committee Assistant for the House Committee on Rules Samantha Koopman OR

Dear Committee Assistant for the House Committee on Rules Koopman,

We MUST keep donations small to REFUSE influence on our elected officials from ALL Anti-Environmental (Pruitt), Anti-Animal (Rinze and Pruitt), Anti-Clean Energy (Pruitt, Rinze, Tillerson), Anti-Education (DEVOS), Anti-Choice (Price), Anti-Democratic (Treason Rump), and essentially Anti-Earth Preserving, Anti-Positive Action Lobbyists! We're now seeing what billionaire lobbyist campaigns get us in a "president" who has NO REGARD for anyone's life, only money! Bannon just confirmed that these nominees are chosen to destroy the departments they're to head so we have NO federal protection from anything and turning our democracy into oligarchy, monarchy, and dictatorship split between Bannon, Putin, and Rump! SICK!!! Do whatever it takes to Make this horrific rump administration end now!!! I am getting afraid to even answer my gender for fear of being ignored so I just go with Dr.

Sincerely,

Dr. Chris B
