Committee Assistant for the House Committee on Rules Samantha Koopman OR

Dear Committee Assistant for the House Committee on Rules Koopman,

My name is Daniel Lewkow, and I live in House District 36.

As your constituent, I am asking you to pass HB 2578. Our democracy need to be reformed, as public's trust in our elections is at an all time low. You have the power to pass a major fix, by establishing small-donor elections. This means that candidates do not have to choose between fundraising and meeting constituents. They don't have to schedule one time to meet their voters, and a separate time to call out of state donors and special interests. Under small donor matching, candidates can afford to spend time listening to the concerns of their constituents, and engaging with everyday voters.

Please pass HB 2578 in this legislative session

Sincerely,

Mr. Daniel Lewkow
