Committee Assistant for the House Committee on Rules Samantha Koopman OR

Dear Committee Assistant for the House Committee on Rules Koopman,

I am Leslie Lowe, 70 years old in Klamath Falls. I support HB 2578.

As a member of League of Women Voters in Klamath county since 1984, we have been trying to get money out of political campaigns for a long time. I am against the supreme court decision that allows corporations to be treated as individual voters. They are not, and it is a travesty against democracy that they should be allowed to let big money talk over the individual voters' voices. I think only voters in a given electoral district should have the right to pay for the candidate in that area. Any legislation that will reduce the influence of Big Money is a winner with me. Please support HB 2578

Sincerely,

Mrs. Leslie Hartley Lowe
