Dear Committee Assistant for the House Committee on Rules Koopman,

Hello,

My name is Lois MacKenzie and I recently became a US citizen. I live in Portland OR and I'm originally from Canada. I'm in full support for HB

2578 and urge you to support it as well. We are currently seeing a government in power that is representative of the average US citizen making an average wage. If our elections could be supported by small dollar contribution matches instead of large corporate money, it would make a HUGE difference in the options for people running our government. I strongly urge you to support HB 2578.

Sincerely yours,

Lois MacKenzie
