Committee Assistant for the House Committee on Rules Samantha Koopman OR

Dear Committee Assistant for the House Committee on Rules Koopman,

I am a 5th generation Oregonian living in the Clatskanie area. I was educated in Beaverton and received 2 masters degrees from Portland State University. I taught in colleges in the Portland area for many years and eventually became a clinical social worker for a hospice organization. I am now retired and have lived in rural Oregon for over 24 years.

Something must be done to get big money out of buying our representatives. Otherwise we continue to degrade our republic into a government of and by the rich, and serving corporations who sponsor the campaigns of candidates.. This situation is contrary to everything best about a nation borne out of a human desire for liberty, equality and fairness. Please support this and any bill that makes running for public office within the means of any qualified Oregonian interested in serving the public.

Sincerely,

Ms. Mary Duvall
