Committee Assistant for the House Committee on Rules Samantha Koopman OR

Dear Committee Assistant for the House Committee on Rules Koopman,

I am a 20 year resident of Portland, where I work as a registered nurse and live with my wife and our one year old foster daughter. I wholeheartedly support the idea of removing the influence of big money from politics in general, and specifically in the campaigning process.

Any attempt to keep our democracy alive is dependent on our elected officials working for the people they represent, rather than for special interests. I greatly appreciate your consideration and support of HB 2578.

Sincerely,

Mr. Paul Seer
