Committee Assistant for the House Committee on Rules Samantha Koopman OR

Dear Committee Assistant for the House Committee on Rules Koopman,

The Citizens United decision overwhelmingly increased the ability of special interests to buy politicians and determine the outcome of all elections. This Democratic Republic will not stand much longer when one considers bought elections and the poor education of the general public which is not knowledgeable in corrupt politics. Nor will the public have recourse to stop the formation of yet another Dictatorship coming to power. America will be just another dictatorship or worse on the planet and the citizens will suffer accordingly.

Sincerely,

Ms. Sharon Conn
