Committee Assistant for the House Committee on Rules Samantha Koopman OR

Dear Committee Assistant for the House Committee on Rules Koopman,

I live in Portland, Oregon and I support HB 2578. It must be clear to everyone by now that greed for wealth and power is dominating our government, destroying this country, and helping to destroy the rest of the planet. This bill would make way for a desperately needed change at home. It's time to decide whether we really want to be a democracy or be ruled by a dictatorship. Personally, I want democracy. Don't you?

Please support HB 2578.

Sincerely,

Ms. Susanna Askins
