Committee Assistant for the House Committee on Rules Samantha Koopman OR

Dear Committee Assistant for the House Committee on Rules Koopman,

We are seeing right now how our elections and officials are bought by corporations. We must get away from the buying of power. Changing this dynamic is not going to happen at the Federal level for a very long time, so we need to start this on the State level. Please support HB 2578 towards this end.

Sincerely,

Ms. Tamara Patrick
