EFFECT OF AMENDMENT:

BACKGROUND:

Changes to current law provided by the measure will allow for the creation of children's special districts, however, no children's special districts will be created directly because of the measure. ORS 198.705 - 198.955 provide the general requirements for formation of new special districts. ORS 198.815 requires proposals for formation that include a permanent rate limit for operating taxes of a proposed district to be voted on in either a May or November election.
