Committee Assistant for the House Committee on Rules Samantha Koopman OR

Dear Committee Assistant for the House Committee on Rules Koopman,

Dear Rep. Tawna Sanchez,

On behalf of the Overlook Neighborhood chapter of Indivisible, Representative District SR 43, I, Joyce Lackie, am urging your support for HB 2578. We have seen the corrosive influence of big money in politics even as recently as our 2016 election in Oregon. Here corporate money interfered with the recent effort to raise the taxes on Oregon corporations, so the bill didn't pass. Our schools continue to suffer from adequate funding as a result. Inadequate funding also limits the range of talented people who might otherwise run for office.

Let's give talented people and constructive ideas more of an opportunity to flourish in our state. Oregon is one of only six states that has absolutely no limits on campaign spending, a very unhealthy situation.

Again, I urge you to vote yes on HB 2578.

Sincerely, Joyce Lackie
