ISSUES DISCUSSED:

EFFECT OF AMENDMENT:

- 1 Amendment limits applicability to non-rail transportation and transportation facilities. States the estimated amount of the ad valorem taxes be stated in per \$1,000 of assessed value. If the territory of an intergovernmental entity is divided into zones, the board shall declare the ad valorem property tax for each zone.

BACKGROUND:

The Central Oregon Intergovernmental Counsel (COIC) provides regional transit service in Deschutes, Jefferson, and Crook Counties via Cascades East Transit (CET). Current statute is unclear as to whether or not COIC can ask voters to fund transit operations by way of property taxes. House Bill 2745 applies to intergovernmental entities organized under ORS 190 that are eligible for Federal Transit Administration funding. The measure applies only to non-rail transit services.
