Subject: Fair Pay Bill
Date: Tuesday, February 21, 2017 12:01:27 PM

Dear Staff: This is a request for the Senate Workforce Committee. Please consider supporting the Fair Pay Bill, SB 752. Women across the nation are STILL woefully behind equal pay for their male counterparts in the work force. Getting paid less for the same job is no longer acceptable. Let's level the wage gap!

Thank you for all your efforts.
