

Honorable Senate Majority Leader and Senate Rules Committee Chair Ginny Burdick, Senate Republican Leader and Senate Rules Vice Chair Ted Ferioli and Committee Members

I am opposed to SJR2 for the following reasons:

Decreasing the days between the registration and the election will add chaos to the election process. These should be separate events. If you pass this bill it will:

- Increases pressure on county officials to process last minute registrations while conducting an election.
- Increases provisional ballots making processing election counts more difficult and may result in some ballots not being counted.
- Increases need and cost for staffing, in some of our offices, space is a premium, which complicates the staffing needs.

Please REJECT this bill. Vote NO!

Thank you for considering my comments,
