

Dear Committee,

I am 72 years old, my wife is 71 years old and several years ago we have purchased a home in Bend assuming moving there at around end of 2017. Meanwhile this home has been rented out and current lease expires at the end of 2017. The proposed HB204 will severely ruin our plans and will apply significant financial burden for us while we are retired.

I urge you to decline HB204
