

As a person who has rented for more years than she's owned housing in Portland, I am very much in favor of HB 2004. However, even if I weren't a renter, I'd be an ally. In this beautiful, wonderful city, we must support each other. Safe, stable housing is a right. Quality of home life affects so much else in life. With HB 2004, our state shows it cares about its people.

Thank you.
