Subject: I support Senate Bill 470

Oregon Legislators,

I'm writing to lend my support to Senate Bill 470. As a resident in a neighborhood controlled by an HOA I'm no more comfortable allowing an HOA to preclude a state certified Child Care provider than I would be allowing an HOA to preclude any other critically important entity addressing a social need. We don't allow HOA's to preclude Adult Foster homes, why we would we want to allow a state certified Child Care provider from operating in an area of need?

Thanks for your serious consideration and support of SB 470.

Thank you.
