Subject: Please vote Yes on SB 197

I am emailing to ask that you please vote yes on SB 197, the bill that would impose air pollution restrictions on CAFOs in Oregon. As a mother of two – one of those with asthma – this issue is of particular importance to me. We must protect our air quality and the natural beauty of our wonderful state.

Please vote YES on SB 197.

Thank you,

Rachel Perman
