

Hello,

My name is Cheryl Curry, and for the past four years, I've worked at Enterprise Community Partners, which creates affordable housing opportunities. Enterprise supports HB 2006, and I do too, because of its common-sense reform to Oregon's largest housing subsidy. As a resident of Oregon, I think HB 2006 makes sense because our state's homeownership policies should moderate and low-income people become (and stay) homeowners.

Thank you,

Cheryl Curry
