

I would like to submit this MP3 of a recording from when Mr. Marty Myers of Threemile Canyon Farms, Director Coba from the ODA and Andy Ginsburg from DEQ reported back to this committee in 2008 offering their support for the recommendations of the Dairy Air Quality Task Force Report.

The file is large, but I have added it to my drive and here is a link:

Thank you and let me know if you have any problems.

Thanks,

Kendra
