Re: SB 812

Dear Chair Senator Michael Dembrow and Committee Members,

Thank you for the opportunity to provide testimony concerning Senate Bill 812.

The Central Oregon Citizen's Action Group, or CAG (formerly Deschutes County Citizen's Action Group), applauds the sponsors of SB 812 for their efforts to assist home owners that need fiscal assistance to upgrade or repair their septic system or hook to sewers. We believe the changes in the bill will allow DEQ flexibility in administrating the program.

Respectfully submitted,

John Huddle, EdD
President
