

March 10, 2017

Dear Chair Beyer, Vice Chair Thomsen, Sen. Girod, Sen. Monroe, and Sen. Riley,

Thank you for your serious consideration of reviewing and adopting SB 753. As an RV dealer, this is an important piece of legislation to us, to our industry and to RV owners throughout Oregon.

We have been in business in the Portland area since 1948 and do a significant amount of RV service. Our technicians are trained to Recreational Vehicle Industry Association (RVIA) standards, based on ANSI code. For many years RV dealers have made electrical and plumbing repairs on all RVs from small travel trailers to 5th wheels, campers and motor homes without presenting a danger to our citizens.

We are happy that SB 753 recognizes this and will allow dealers to operate without additional significant, unwarranted and needless costs which in turn would have to be passed on to consumers.

Thank you for supporting small businesses and our industry. We very much appreciate it.

Sincerely,

Cammy Pierson
President
Curtis Trailers
