

Dear Members of the House Rules Committee,

Please recommend HB2927 National Popular Vote Interstate Compact for a "DO PASS" out of the Rules Committee, and vote yes on National Popular Vote Interstate Compact in the Legislative session.

I believe in one person = one vote, and everyone's vote counting equally, so I want the person who receives the most votes to become President of the United States.

It is time to reform our method for electing the US President.

Thank you,
