

Dear Channa:

Please distribute my comments on HB 2739 to the Committee Members of House Committee on Judiciary. Thank you.

Jenet Johnsen

Dear Members of the Oregon Legislature House Committee on Judiciary:

I support the passage of HB 2739 to protect our family farms from genetically modified organisms drifting onto their crops. Please protect Oregon's agriculture from corporate interests. Thank you.

Jenet Johnsen, Medford, 97504
