

Hello. My name is Susan Hathaway-Marxer and I live in House District 43 in Portland. I was born in Oregon and I always vote. I am writing to express my support for HB 2927 to come out of the Rules Committee and go to the House for a vote.

I have worked on several campaigns, including presidential campaigns in Oregon and in other parts of the country. I think there is something terribly wrong when the popular vote for President of the United States is not the determining factor in who ultimately becomes our president.

It is in the State's purview to set the requirements for our electors. Please allow this bill to come to the floor for a vote. Thank you.
