1) The "*" means: This laboratory is accredited for pesticide preparation for sub-contracting to an ORELAP laboratory with an accredited pesticide analysis scope item. The pesticide analysis scope without the asterisk includes an accreditation for preparation. Laboratories without any pesticide accreditation must sub-contract whole samples to a lab with an accredited pesticide analysis scope item.

2) Sampling (# provisional accreditation only, please ask your laboratory for details).

3) Micro (~ accredited microbiology analytes vary, please ask your laboratory for details).

TH = THC's; So = Solvents; Pe = Pesticides; Sa = Sampling; Mi = Microbiology; WA = Water Activity; Mo = Moisture
