

PLEASE GIVE US THIS LEGISLATIVE AND LEGAL TOOL TO OREGON FARMERS AND RESIDENTS TO HOLD CHEMICAL COMPANIES ACCOUNTABLE FOR THE TOXICITY IN OUR BODIES. WE NEED TO PROTECT OURSELVES IN THE ABSENCE OF GOVERNMENT AND CHEMICAL INDUSTRY REGULATION OF EXTREMELY HARMFUL CHEMICALS AND GMOs. SUPPORT HB 2739. OUR IMMEDIATE HEALTH AND THE DNA OF FUTURE GENERATIONS IS AT STAKE. PLEASE SHARE THIS EMAIL WITH COMMITTEE MEMBERS.

Respectfully,
