

Dear House of Representatives for Oregon:

I own three rentals here in Eugene which I have struggled very hard to keep during the recession. They are all I have for my "retirement" years, which are now upon me. Please don't support this destructive proposal, it would create requirements that are close to impossible for a small-time landlord like me to meet.

Sincerely,

Alexandra Gardner  
2797 Elysium Ave.  
Eugene OR 97401
