

Dear Representatives:

I am a fairly liberal person, but I have to tell you that HB2004 is an extreme measure and I want you to oppose it. It is totally one-sided and will cause a financial hardship on me. A lease is like a temporary contract for work. When the time of the contract is up, it is over. An employer would not be required to offer a new contract to the employee. Neither should a landlord be required to offer a new lease to the Lessee.

There are so many things wrong with this bill, that I don't even know where to begin!

Sincerely,

Annette Gurdjian
