

Good morning dear Members of the Senate Committee on Judiciary,

I am writing to register my complete support for SB385 - motorcycle lane sharing in Oregon (and Washington for that matter). I am a 57 yr old woman, who regularly commutes across the I-5 bridge in rush hour on her motorcycle. In the summer, in the heat, the very worst situation is stopped to slow traffic, where I start to suffer from heat exhaustion and if I'm on the wrong bike (I have three) the bike does too. Not only is it safer for me to keep moving, it's better for congestion and much better if an ambulance doesn't have to force it's way through traffic to assist me.

Please, please this time around get this bill all the way through. I do not want to have to keep breaking this law.

thank you

Suze Riley
