

**SB 803 STAFF MEASURE SUMMARY**

**Senate Committee On Education**

---

**Prepared By:** Lisa Gezelter, LPRO Analyst

**Sub-Referral To:** Joint Committee On Ways and Means

**Meeting Dates:** 3/21

---

**WHAT THE MEASURE DOES:**

Establishes a grant program, beginning in 2017-2018, to school districts for support service programs, education innovation programs, and education intervention programs. Establishes program requirements. Directs the State Board of Education to establish by rule a list of strategic investments. Requires school districts receiving grants to establish separate accounts for grant funds and use those funds only for the purposes specified in their grant applications. Authorizes the Oregon Department of Education to spent up to \$300 million from the State School Fund each biennium for these grants. Requires a minimum of \$100,000 each biennium to be distributed to school districts that have a weighted average daily membership of fewer than 250 students. Declares emergency, effective July 1, 2017.

**EFFECT OF AMENDMENT:**

**BACKGROUND:**

Support services are those services generally provided to disabled students, to students struggling in school, or those students at risk of doing so. Innovation programs is a term that usually refers to programs offering new or different types of educational models. Intervention programs, sometimes called Response to Intervention, or RTI, are programs that offer intensive services to students who are underperforming or who are at risk for doing so.

According to the Oregon Department of Education (ODE), 30 school districts have a weighted average daily membership of fewer than 250 students.
