**Subject:** HB 2705 and 2706

To All committee members of these bills,

These bills are nothing more than another tax!!!! Another way to destroy the freedom of the hard working people of this state,so the state will have more money to fritter away on social programs.

This state is becoming a socialist state, run by the socialist of Multnomah County. This is nothing more than a huge government over reach!!!!

A disgusted tax payer, Karl Skou
