<b>Other Differences</b>				<b>Other Differences</b>			
May issue VWOP (valid without photo) credential to customer due to religion conviction, facial disfigurement, and certain military personnel.				VWOP not allowed for any reason.			
Exceptions process for proof of legal presence, developed over 8 years of experience, allows issuance for unusual cases.				Exceptions process can be allowed, but Oregon's current process might not be approved. Some Oregonians may not be able to meet the standard.			

\* Different standards.

\*\* Only for problem drivers and Commercial Driver License holders.
