Good afternoon,

I received notification about privilege tax reporting for our Galveston Pub location. All production takes place at our brewery in Sunriver at 56840 Venture Lane. We do not have a brewery at this location. Attached is our most recent report. Please let me know if you need additional information. Thank you.

Sincerely,

Randy,

We received the below email from Karin Devencenzi, Chief Operating Officer for Sunriver Brewing regarding the need to report ? for Galveston Brew Pub. She would like OLCC to set up the Galveston Brew Pub as a Second Location because all of the Brewing Production and Privilege Tax liability occurs at Sunriver Brewing. Currently, the way Galveston is licensed we would require Sunriver to report each month zero reports for them. Randy, can you please work with Lanette Clayton or Mahala in Licensing to change Galveston Brew Pub to a Second Location and fix this. Also, Licensing could refund the Licensing Fee to Sunriver. Thank you in advance for handling this quickly. Please contact Karin if you have any questions regarding her request.

Best regards,

Subject: RE: Galveston Brew Pub Reporting

Good morning,

After looking at the license records in the database I can see why the BP for Galveston Pub (1005 NW Galveston #150) was issued as a primary location and a license fee was collected. Sunriver Brewing Company has their BP primary license location at 56840 Venture Ln. #2 & #3, the 2nd location BP license is located at 57100 Beaver Dr. #4. Brew Pub licensees can only have one additional location so the Galveston Pub would have had to be a primary location, we can't get around that. There are no changes that need to be made in the database. Our records are accurate. Thanks

Karin,

Unfortunately, as Lanette explains below, Galveston Brew Pub will have to submit a monthly BP Privilege Tax Statement each month even though the Schedule 2 and the Brewery Privilege Tax Statement would be zero. Just mail them with your Sunriver Brewing monthly reports. Since your License (245137) was issued October 1, 2016 your October report would be no later than November 20, 2016. I have attached a copy of each forms. Please let me know if you have any questions. Sorry.
