

*****TESTIMONY OF CHERYL KUEHL*****

March 28, 2017

To: Joint Committee on Ways and Means Human Services

Co-Chair Steiner Hayward, Co-Chair Rayfield, members of the committee,

My name is Cheryl Kuehl. You have my written testimony, if you want to follow along.

I spent eight years living in Fairview Training Center as a girl. I didn't like it there. Now I live in my own apartment in Portland, with a little help from my friends. I have lived there for twelve years. My services are important to me. I have a Personal Agent from a Brokerage, and two people to help me. They take me to all of my medical appointments. They help me get out and do the things I want to do. Please keep my Brokerage services strong. Please don't cut services for people like me.

Thank you!
