Dear Senators:

It is my strong desire that you pass SB 870. My husband who is now deceased and I are native Oregonians and have worked very hard over the years to build our estate. I would like my children to inherit what we have built over the past 60 years. I have paid tax on our properties. This year I will pay a total of \$155,000.00 property and income tax. We do not need to add estate tax to that for my children.

Sincerely,

Sue Springer
