Dear Senator Winters,

I am a constituent who is asking for your support of SB 888.

# Oregon Senate Rules Committee

Because I will be working, I am unable to attend the public hearing on SB 888. However, I believe it is very important that anyone seeking to lead our nation release their tax returns. I am writing to urge you to support this bill as it is in the best interests of all Americans to ensure that our President & Vice President are not people with conflicts of interest or vulnerabilities to financial pressure.

Thank you, Denise Cedar, Keizer OR

Senate Rules Committee:

Since 40 years of precedent has proved to be inadequate to induce our current president to release his tax returns prior to or even after his election, I believe it behooves us as citizens of Oregon to support SB 888 which requires presidential candidates to release their tax returns before they can appear on the ballot in Oregon.

On SB 888 and HB 2909:

It is outrageous not to have information on the financial status and affairs of people who seek or hold public office.

Oregon must do what the state can to ensure we have adequate knowledge of this.
