Subject: Additional Comment in Support of POP 108/ ODFW Funding in HB 5010
Date: Tuesday, March 28, 2017 9:37:46 AM

To: The Joint Committee on Ways and Means Subcommittee on Natural Resources

I would like to add to my previous comment that I am speaking for the Wild River Community, a 150 owner development that straddles the Deschutes River at Pringle Falls near La Pine, OR.

Many of our residents are licensed fisherman and hunters and are very concerned with the health of the upper Deschutes and it's surrounding environment.

We strongly urge you to support funding for ODFW and improved water flows and quality!

Sincerely,
Mike Taylor
River Conservation and Restoration Representative
Wild River Homeowners Association
