**Oregon Progressive Party  
Position on Bill at 2017  
Session of Oregon Legislature:**

**HB 2190: Support**

Dear Committee:

The Oregon Progressive Party (OPP) supports this bill, which modifies definition of "social game" for purposes of regulation of gambling. As we understand it, this bill essentially bans gambling, in the form of a "social game" (with no house player or house bank or house odds or house income) as part of a private business, while allowing such to be done by charitable, fraternal or religious organizations.

Gambling for money, operated for profit, is a social evil and should be banned.
