**Subject:** Senate Bill 644  
**Date:** Wednesday, March 29, 2017 7:27:25 AM

---

Dear Chair Denbrow and members of the Senate Committee on Environmental and Natural Resources,

I urge you to vote "No" on S.B. 644.

My main concern is the fact that this will would take away the already required need for a conditional use permit which keeps the concerns of local officials and community members involved in the permit process.

Thank you for your consideration.

Tygh Redfield  
Sisters/Cloverdale,Oregon
