OR House Judiciary Committee

Chair Barker and Judiciary Committee:

I am writing to let you know why I support House Bill 2992, Criminal Background Checks for School Volunteers.

As a parent of three children who attend Scappoose Schools, I expect all school officials to do everything in their power to provide the safest learning environment possible for all students. I strongly support *requiring in law*, criminal background checks for any person who will have unsupervised contact with students during *any part* of their school day.

Please vote Yes on HB 2992.

Respectfully,

Brooke Travis
