**Subject:** The bill to build a toll road from  
**Date:** Sunday, April 02, 2017 1:24:48 PM

---

I-5 woodland wash to I-5 Donald Oregon is a necessary evil . Continued growth of traffic through the Vancouver to wilsonville corridor has overwhelmed I-5 and is causing a dangerous path for all who drive that road. I know it would take up some farmland it is a necessary and needed for the livability in the Portland area. Please look at this road as a passage into the 21 st century .

Thankyou

John Meyers
