HB 3263**

This letter is to show my support of HB 3263. The case loads are beyond huge. They need to be reduced by a significant amount. With these high numbers, it's virtually impossible to properly treat students.

I support the efforts that are being made by OTA/O to reduce the numbers. I am a COTA and I witness some of my therapists' numbers most often in the 80's and 90's. A case load of 50 is reasonable.
