RE: SB 432 SB 602 SB 608 SB 612 SB 618

Over the years I have reviewed many attempts to weaken Oregon's Land Use Laws. Statewide Planning implemented at the local level has provided both urban and rural economic growth. I support 1000 Friends of Oregon and other groups who have outlined problems and opposed these bills.

These bills, scheduled for public hearing on April 4, are based on the false premise that housing needs can be met if more land is available from agriculture and forest lands.

Please add my name to those in opposition. Marilyn Reeves
