A Problem**

Structural Changes to the

ECONOMY

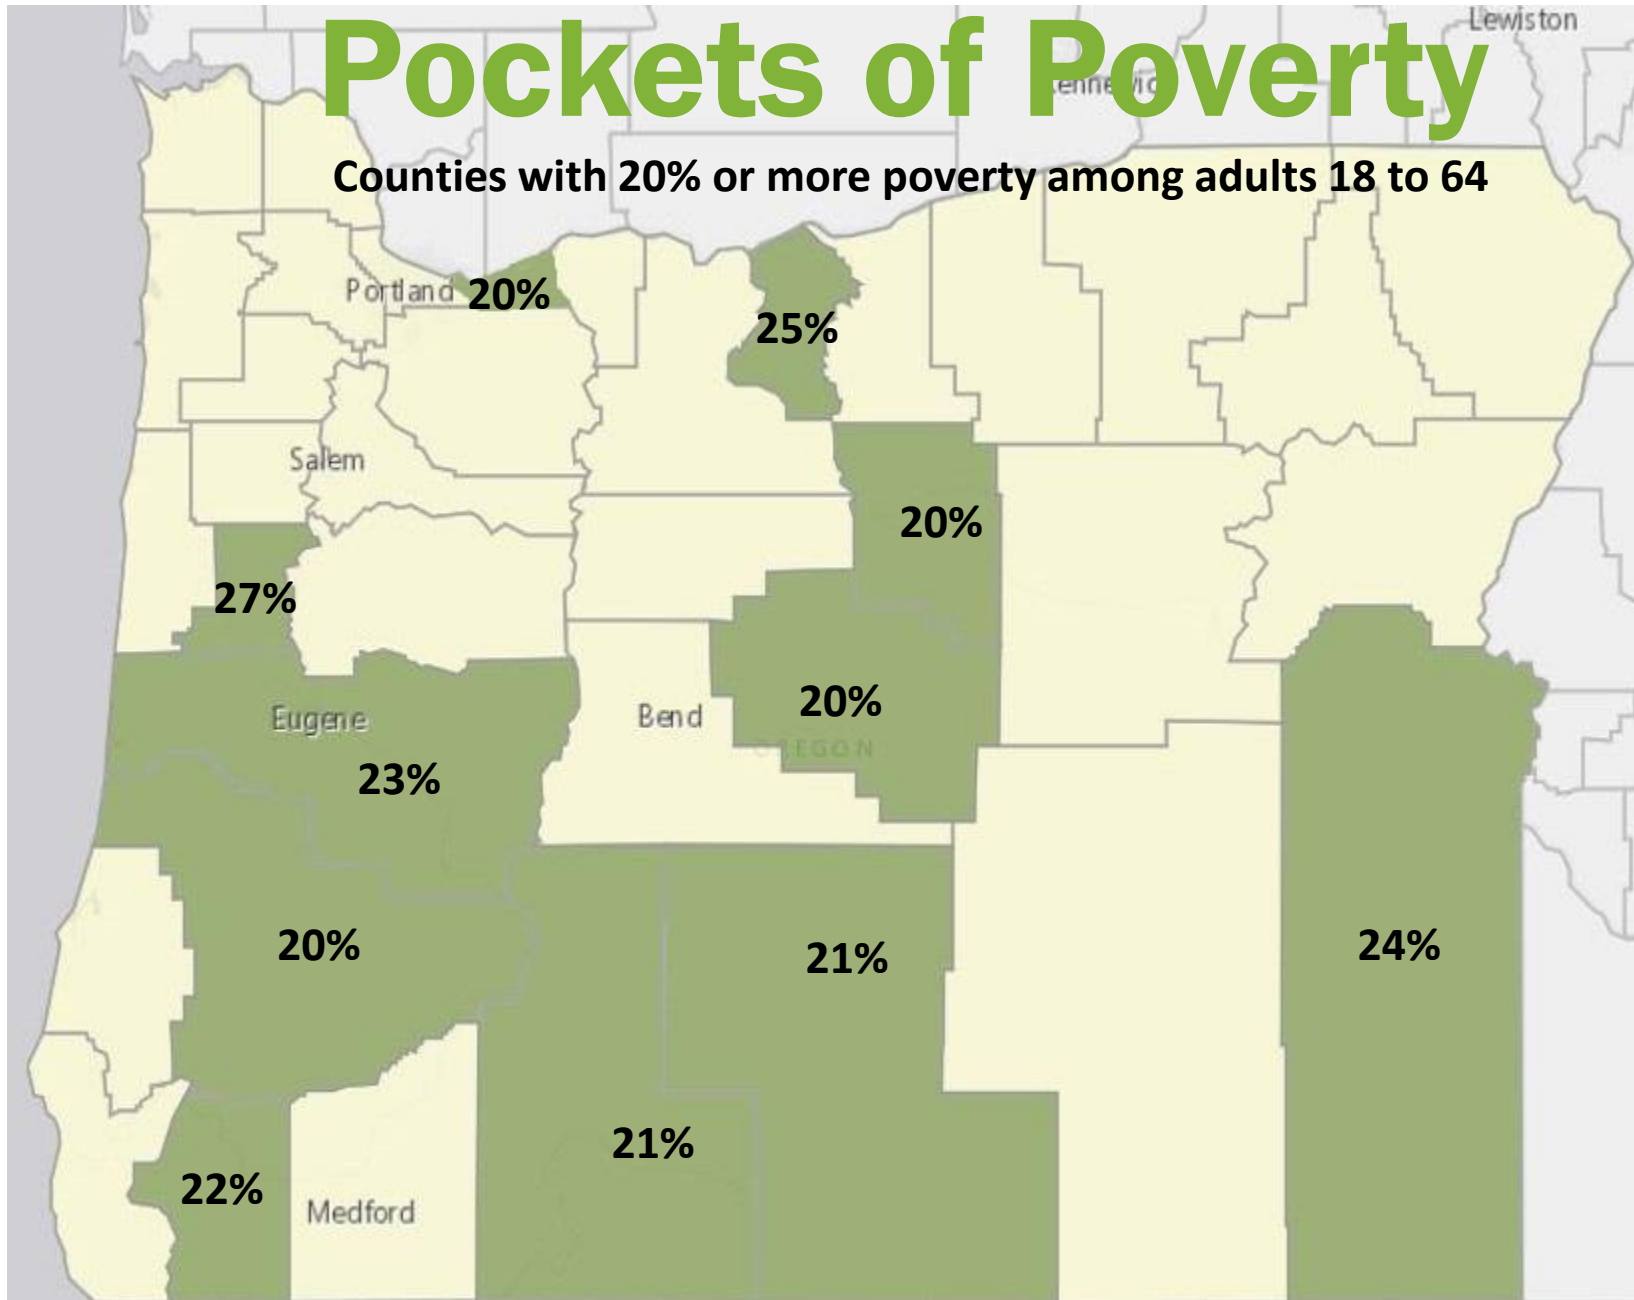

**Stagnate/
Declining Wages -
17% Work full time,
but earn less than
\$25k**

**16.5% in
Poverty -
640,00
Oregonians**

**20% on
Food Stamps
301,792
Highest in
the Nation!**

Pockets of Poverty

Counties with 20% or more poverty among adults 18 to 64

Declining Resources

Federal Funding
for Key
Workforce &
Education
Programming*

\$400,000,000

Community
Colleges**

\$43,430,815

TANF**

\$29,149,658

Federal
Workforce
Programs**

\$18,386,898

*Since 2010

**Between 2002-2015

Skill Shortages In Key Industries

Prosperity 1000

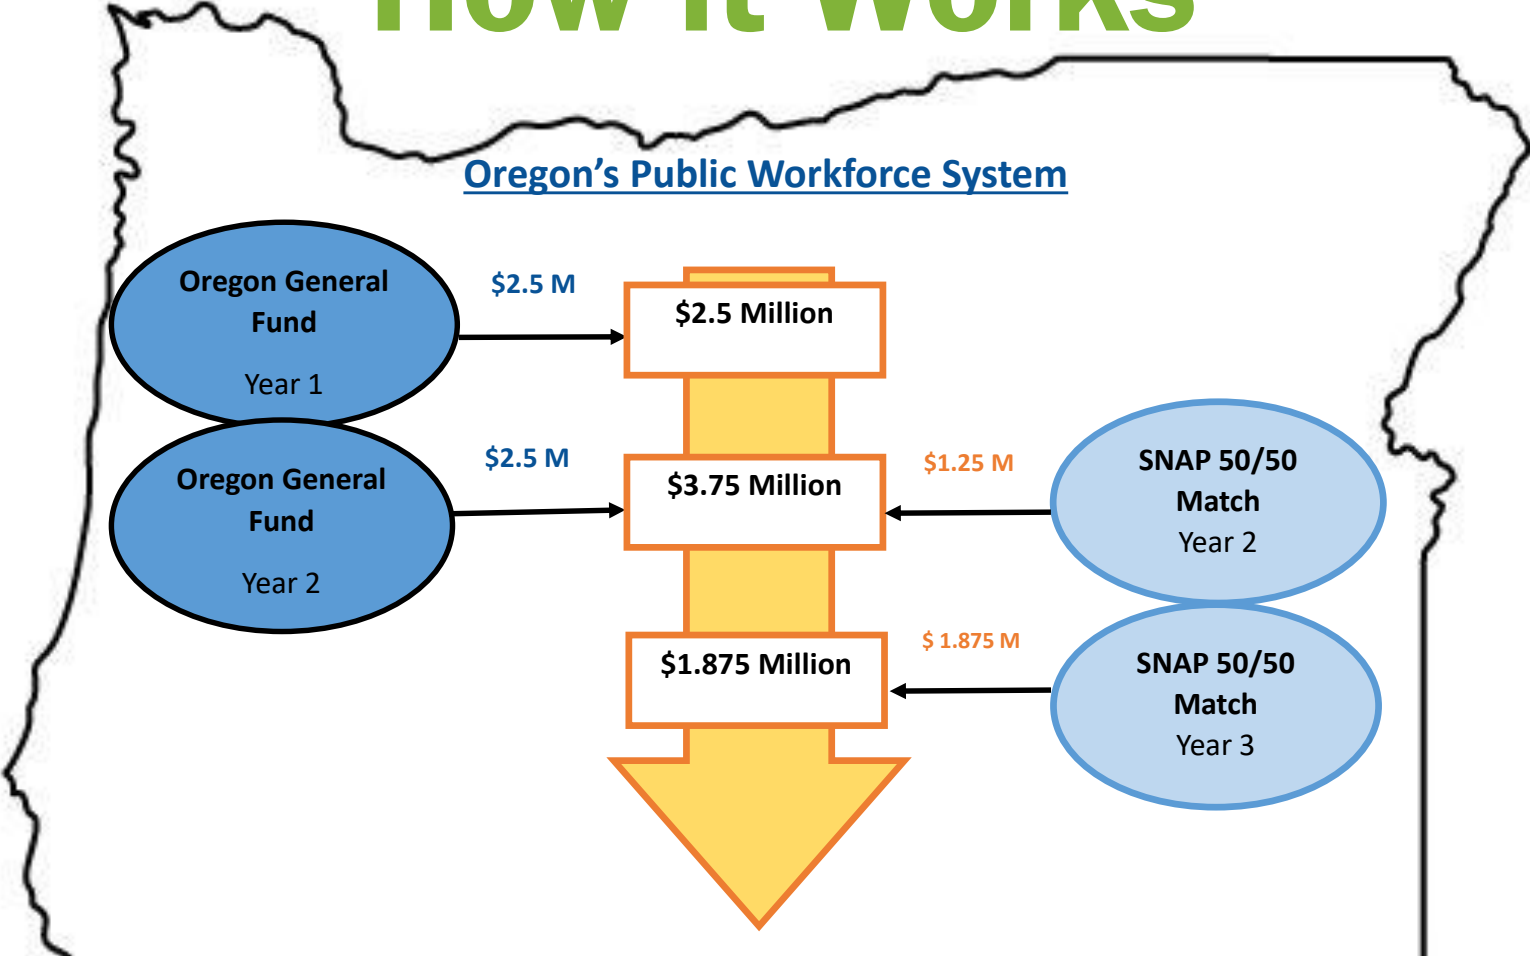

East Multnomah County

20%

**The largest concentration of poverty in the State -
more than 120,000 people**

How it Works

- Occupational training and job placement in target industries for 1000 Oregonians
- Restored federal employment and training funds for Oregonians in Poverty.
