Subject: Westside /French Prairie Bypass Tollway bill, HB 3231
Date: Tuesday, April 04, 2017 11:50:59 PM

Dear Committee Members,

I'm writing to express my distress at hearing about a massive toll road that, developed through eminent domain, could destroy the west hills in Portland down to Marion County and destroys rural areas that really should be protected through Oregon's urban growth boundary law.

I oppose the implementation of the Westside /French Prairie Bypass Tollway bill proposed through HB 3231 and hope that you will do everything in your power to keep this from simultaneously urban and rural areas alike.

Sincerely,
Maria Cahill
