Subject: Just say no to HB 3231
Date: Tuesday, April 04, 2017 8:46:57 PM

Dear House Committee on Transportation Policy,
Please do not pass HB 3231. It would be a massive waste of taxpayer money. Driving should be discouraged & not incentivized.
The House Committee on Transportation Policy should prioritize investment in public transportation, walking, and bicycling.
Sincerely,

--

Suzanne
