

Chair Holley and Members of the Business and Labor Committee,

My name is Tina Hansen, and I am writing to ask you to support HB3246. As a blind person who does not drive a car, I need to rely on either drivers of public transportation to travel around Salem. The bus doesn't run past 9:30 PM on week nights, and there is no bus services on weekends.

I also have a friend who is not blind, but doesn't own a car. He has been taking cabs around town to go various places, but cabs are expensive.

Given this, I believe that establishing rules to allow Lift, Uber, and other ride sharing services into the Salem/Keizer area could benefit anyone who doesn't own a car. Therefore, I am asking you to support this legislation.

Thank you for your time.

Sincerely,

Tina Hansen
