Analysis:

The bill appropriates \$500,000 General Fund in the 2017-19 biennium to the Housing and Community Services Department (HCSD) for deposit into the Wildfire Damage Housing Relief Account to assist households of lower income that suffer a loss of housing due to a wildfire. HCSD provides assistance grants in the amount of \$5,000 each. The department may expend funds from the account to pay administrative expenses incurred under this section. The costs to HCSD associated with additional administration of the grant funds is anticipated to be minimal and absorbable within existing budgetary parameters.
